## COMPETITION RULES APPLICABLE TO ALL CLASSES

1. All entries shall be made to the Entries Secretary, either on line or on the printed forms supplied, on or before **Saturday 4th February 2023**.  
No late or un-named entries will be allowed.
2. Title, Composer/Author and accurate timing of own choice pieces must be stated on entry form.
3. No entry will be accepted unless accompanied by the entry fee.
4. It is **essential** to include the numbers of people performing in groups, choirs and bands for the provision of sufficient chaperone tickets, where applicable.
5. The order in which performers shall perform is decided at random.
6. No performer may appear twice in the same class except in Classes C1, S19, SG4, SG10, B10 - B12, all the Piano duet classes, and all MD, CD and FD classes.
7. In case there is only one performer in any class, such performer shall be entitled to compete and take a prize provided that the Adjudicator considers that the performance is of sufficient merit. The minimum mark for a performer to take First Prize in a class in which they are the sole entrant is 86.
8. The Adjudicator's decision as to merit will be final.
9. The winners of the trophies are required to sign the record card for that trophy and to return such trophies to **Morrison Photos, 54 Buck's Road, Douglas, IM1 1BF** polished, engraved and in good condition, not later than the **25th March 2023**.
10. No performer is allowed to speak to an Adjudicator immediately before or during the competition. Communications for the Adjudicator must be made through the Festival Secretary.
11. Where a time limit has been stated this will be adhered to strictly. One mark per 30 seconds or part thereof will be deducted if the time limit is exceeded.
12. The use of any recording equipment including phones, cameras, video, audio etc. is prohibited in the competition rooms, because of copyright legal restrictions, child protection and to avoid disturbing performers. Recording a performer may lead to their performance not receiving a mark from the Adjudicator.
13. Costumes can be worn **except** in Songs from The Musicals classes where songs chosen are from Musicals which are in current production as these are subject to copyright law, but can be sung without permission as a concert item with no costume or choreographed movement. If sung in costume or using movement then **copyright permission is required** and must be sought by the entrant or their representative before submitting their entry.
14. A child under 13 may not enter themselves in the Festival.
15. All performers should note that pieces with inappropriate language and/or content must not be entered. If any performer uses inappropriate language and/or content they will not receive a mark for their performance from the Adjudicator.  
**Pieces must be suitable for family audiences.**

7. Performers who use words and/or music in Solo or Duet singing classes (except Class S8) will not be awarded a mark.
8. Performers who compete in a class which is delineated by grade should be at or working towards that grade, not simply playing a piece from that grade.
9. If a performer is entered into a class which is delineated by grade they cannot then enter a different grade class for the same instrument i.e. if entering Class P6 Piano Solo (Grades 1 & 2) a performer cannot then enter classes P10, P10(a), P11, P12, or P15.
10. Performers who decide, for unavoidable reasons, to withdraw should inform both the Entries Secretary and (if applicable) their accompanist **no later than 2 weeks** before the class.
11. The Festival is under legal obligation to supply the Performing Rights Society with details of all items performed at the Festival, therefore, the following must be adhered to.
  - (i) Entries will **NOT** be accepted without full details including Titles, Composers, Key and Duration of piece being shown on the entry form.
  - (ii) No performer will be permitted to change the piece after the entry form has been accepted.
12. Performers may not choose a piece which has been specified for other classes.
13. Own choice music must be submitted with the entry form only if the official accompanist is requested.
14. In classes where an official accompanist is requested the copy for the accompanist must be included with the entry form, otherwise this service will not be available. This music must be in the key and translation which will be used in the competition with the Class, performer's name and telephone number clearly printed on each copy of music sellotaped in booklet form. No staples, please. Any music being submitted in an inappropriate or poor condition may be returned and the performer asked to submit it again in the correct format by the closing date for entries.

**Copies must be marked clearly with the name of the performer plus class and page number.** See Copyright Rules. Online entrants should also send their music to the Entries Secretary, 50 Seafield Close, Birch Hill, Onchan, IM3 3BU, **by the closing date for entries.**

15. Once the official accompanist has been requested this decision cannot be changed.
16. A copy of the piece for the Adjudicator must be made available at the time of the competition, clearly marked with the performer's name, class and page number. Failure to produce this will result in disqualification.
17. If singing in a foreign language a **short** 30-60 second précis of the piece may be given by the performer or provided for the steward to read to the audience.
18. All performers should note that pieces with inappropriate language and/or content must not be entered. If any performer uses inappropriate language and/or content they will not receive a mark for their performance from the Adjudicator.  
**Pieces must be suitable for family audiences.**
19. "Rifle" microphones will be used for all Junior Vocal Solo classes.
20. Performers in classes P4, P8, P13 and P21 may appear twice in their chosen class as long as they are performing a different piece and are swapping positions i.e. two performers may appear together with one playing right hand and the other playing left hand; they can then swap over to play a different piece swapping hands.
21. Performers must not appear with their teacher or a person not currently studying the same piano grade in Piano Duet classes P4, P8, P13 or P21.
22. Pieces entered for classes A1(a) and A1(b) **MUST** be the performer's own work and **not** that of another composer, living or deceased.

## COPYRIGHT AND PHOTOCOPIES

**Copies of own choice works for the Adjudicator.** Where copyright still exists, the Music Publishers Association has a revised Code of Practice on copying copyright works, and the following concession is made for copying own choice pieces **from volumes only** for the Adjudicator. Other items must **not** be photocopied without the permission of the copyright holder in each case.

When an Own Choice work is selected from a publication containing several different works and which is not published separately, one copy may be made for the use of an adjudicator at a competition or festival provided that the performer or participant has already purchased his/her own copy and that the copy made is retained and destroyed by the Administrator of the Competition or Festival immediately after the event.

Performers are advised that this permission applies only to copyright holders who are Members of The Music Publishers Association (listed at the back of the Code of Practice leaflet, obtainable from the Association at 103 Kingsway, London, WC2B 6QX). It is the performer's own responsibility to ensure that they seek permission to copy direct from any copyright holder whose name does not appear in the MPA list.

**Single copies of items may not be photocopied without the prior permission of the copyright holder.**

The permission does not apply to making copies for the Accompanist, who must always be given a printed copy from which to work. Photocopies for the adjudicator must be totally legible, or they may be refused.
