COPYRIGHT AND PHOTOCOPIES

Copies of Own choice works for the Adjudicator. Where copyright still exists, the Music Publishers Association has a revised Code of Practice on copying copyright works, and the following concession is made for copying Own choice pieces **from volumes only** for the Adjudicator. Other items must **not** be photocopied without the permission of the copyright holder in each case.

When an Own choice work is selected from a publication containing several different works and which is not published separately, one copy may be made for the use of an adjudicator at a competition or festival provided that the competitor or participant has already purchased his/her own copy and that the copy made is retained and destroyed by the Administrator of the Competition or Festival immediately after the event.

Competitors are advised that this permission applies only to copyright holders who are Members of The Music Publishers Association (listed at the back of the Code of Practice leaflet, obtainable from the Association at 103 Kingsway, London, WC2B 6QX). It is the competitor's own responsibility to ensure that they seek permission to copy direct from any copyright holder whose name does not appear in the MPA list.

Single copies of items may not be photocopied without the prior permission of the copyright holder.

The permission does not apply to making copies for the accompanist, who must always be given a printed copy from which to work. Photocopies for the adjudicator must be totally legible, or they may be refused.
